Investor Pitch Deck 2019

WE ACCEPT

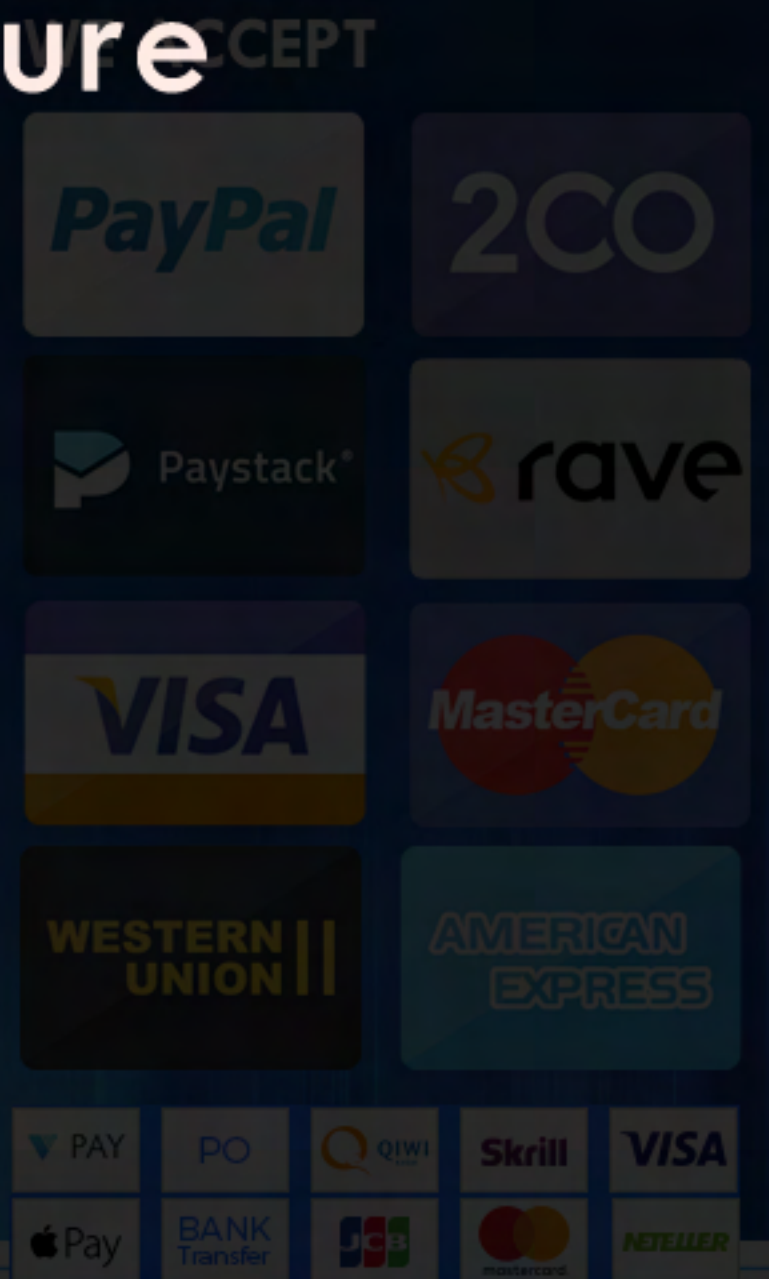

THE PROBLEM

Knowledge is important to the success of any digital venture

Entrepreneurs in the digital space need to update their knowledgebase consistently because of constantly evolving technological trends and internet resources alone cannot fill in this gap. Humans need mentorship, books, courses, digital marketers, developers, designers and consultants

No easy way exists to get books, courses and mentorship that help entrepreneurs succeed

SOLUTION

A platform where entrepreneurs can get books, courses, mentors, partners that will help them to run successful digital ventures

Translated to their local language - Available in 30+ Languages

Available in their local currency - 100 + Display & Billing Currencies

Accepting payment systems that are supported in their country - 45+ Payment Methods with

Coverage in 200+ countries

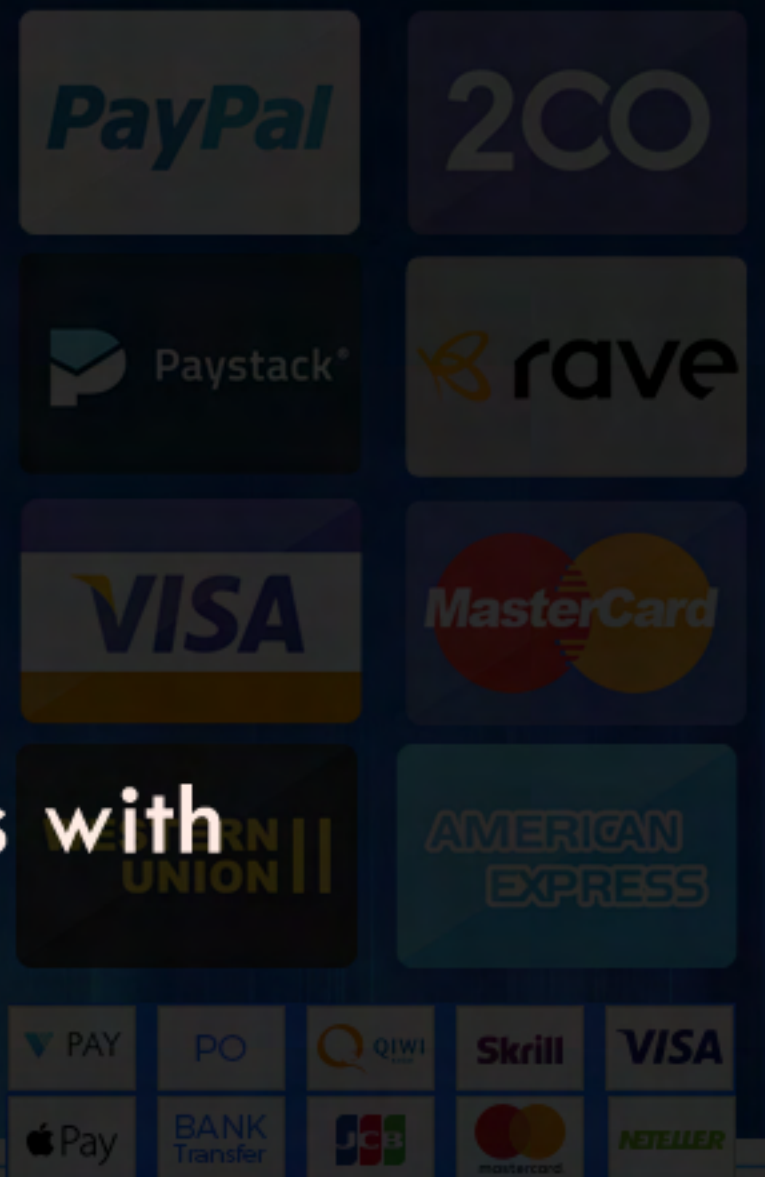

Standard curriculum from Google and other notable successful digital ventures

Experienced and Certified Digital Marketers

Experienced Web developer/ Computer Scientist with Graphic Design Skills
